The Pension papers of D. Venkatasamanja, late Amildar of the Hoskote Taluk have been received from the Comptroller duly verified and registered on by him. The Pension admissible to him amounts to Rs. 96-14-0, computed at half of Rs. 193-12- the average emoluments drawn during the last 5 years of service.

2. Venkataramanaya however, represents that he has put in 3 years and 9 months service on Rs. 200/- and that the period required to make up 5 years in view to entitle him to full half

pay previous to
Rs. 100/- to one year
and 3 months - He
prays that this period
be made good as
shewn under —

I. one year as grace
period which is
allowed to Officers
who served during
the famine of
1877, he being
one of the Officers
who were employed
on famine duty.

II. 3 months as
privilege leave,
which he was
entitled to at
the time of his
retirement.

3. He names of
the Officers, who
were to receive the
conception of one

on account of their employment on famine duty having already been punished by the Govt of India and their decision obtained, Venkataramanaya, not being one of those officers, is not entitled to the concession of one year's service prayed for by him. He has put in a qualifying service of 31-8-4 which is more than sufficient for half pension. Even if the concession of an additional year's service be granted, it will only add to the above qualifying service, but cannot be taken for the calculation of his pension.

The other point

GOVERNMENT OF MYSORE

In view to carry
out the foregoing
orders it seemed
necessary to ascertain
the exact period of
privilege leave to
which the amildar
was entitled on
the date of his
retirement.

From the certificate
now obtained from
the Comptroller it
would be observed
that Venkataramiah
was entitled to
only one month and
21 days' privilege
leave & not to
3 months as stated
by him, thus falling
short of the period
of 4 years
required in the cal-
culation of his pension
as directed by the
Diwan by one month

+ 9 days -

There appears to be therefore no other alternative than to compute his pension on the average salaries drawn by him during the last 4 years of service as shown below.

yrs	mns	ds				
0	1	9	at	Rs.	175	
3	10	21	at	Rs.	200	

In this case the pension would amount to Rs. 99-10-3 per mensem. Sanction the amount (Rs 99-10-3) verifying the figures once more. 15-5-95

Orders are solicited in settling the similar case accordingly.

Deputy Commissioner

Bangalore District.

Sir,

In obedience to your order No 601, I gave over charge of the Hoskote Taluk to Mr. Seetharamiah, the Amildar transferred to that Taluk on the 12th. of May ... I made a formal report to that effect. I at the same time applied to you to recommend me for a bonus of three months' pay on the ground that I was entitled at the time of retirement, to avail myself of three months' privilege leave. orders are still awaited. If the Government is pleased to grant ...

the three months privilege leave, I will at the time of the expiry of such leave, have completed 4 years service as a 2nd grade Amildar. Even then, I would be wanting by one year to complete my 5 years service in the grade in order to get half pension.

You are aware that according to Hindu calculation, I had not completed my 60th year and also that I was strong enough for active duty for some time longer at the time I was retired.

This order of retirement will affect my pension.

I therefore request you will be good enough to forward this application of mine, with your support to Government to condone the want of one year's service in the 2nd grade in consideration of my long and faithful service to Government for a period of 43 years, including minor service and also in consideration of the favorable remarks of the Famine

Famine Commissioner now (Sir Charles Elliot),
deputed to Famine duty in the Dharwar,
Bijapur Famine.

I enclose herewith for your
Kind perusal and return, my Service

tion of my name as one who worked with

No 146.

The 27th August 1878.

The following Resolution of the Government of India, Financial Department, No 2087 dated 10th August 1878, is published for information:—

Resolution — His Excellency the Governor General in Council, after a careful consideration of the proposals contained in the papers recited in the preamble, regrets that he can see no satisfactory way of recognizing the Services of the Officers who were engaged in carrying out the recent Famine Relief Operations in Madras, Bombay and Mysore in the manner suggested by the various authorities consulted.

His Excellency in Council in the first place observes that no such concessions were granted to officers for similar Services rendered during the Famine which prevailed in 187[illegible] in

in Bengal.

Next it is to be remarked that the various proposals that have now been made, differ greatly in their scope and even in the fundamental principles on which they would be applied. The reasons for this are obvious, namely that the conditions under which the Services were rendered, the Special recognition of which is contemplated, varied to an almost indefinite extent. This also would make it impracticable to lay down any fixed rules for general application in recognizing those Services.

The Government of India therefore is unable to do more than state;

First, that it will be prepared to consider favorably the cases of any Officers which the Government of Madras and Bombay, or the Chief Commissioner of Mysore, may think deserving of recognition by the grant of Special leave on account of failure of health, within a reasonable time, after the completion of their duty in Connection with Famine Relief.

Such

Such Special leave might carry, [illegible]
first Six months, full pay and allowance
up to a limit of 600 Rupees a month.

Secondly, that an addition to Service
for pension not exceeding the period of
employment on Famine Relief duty may
hereafter, on their retirement, be re-
Considered for any Specially deserving
Officer who did not receive any extra
allowance when so employed, and
whose Salary when so employed, did
not exceed 600 Rupees per mensem. The
Secretary of State will be requested to
give his Sanction to these proposals.

Resolution of the Government of India, Financial Department. No. 2087 dated the 10th August 1878, offering an addition to Service for pension not exceeding the period of employment on famine relief duty in the Madras and Bombay Presidencies and in the Mysore Province, to any Specially deserving officer who did not receive any extra allowance when so employed and whose Salary when so employed did not exceed Rs 600 per mensem.

Letter from the Chief Commissioner of Mysore No. 1041/165 dated the 2nd May, reporting

Reporting that there are no officers
who were employed on famine duty in
Mysore on a Salary not exceeding Rs600
a month, who did not receive additional
allowances and who are considered
Specially deserving of the concession.

Despatch from the Secretary of
State for India, No. 83 dated the 18th
March 1880, requesting that a list of
all officers to whom the concession is
proposed to be extended, may be furnished,
as it will be difficult in the absence
of such a list to decide upon the claim
of an officer to the privelege if preserved
at the time of his retirement from the Service
possibly many years hence.

Endorsement No. 49 dated 21st
June 1880 forwarding copy of the dispatch
to the Chief Commissioner of Mysore

Mr. Sulton — Overseer P.W.D.
Mr. Burke. — Overseer P.W. Department.
Mr. Wheeler — Sub overseer —— Do. —

and that Mr. Meller Overseer Public Works Department be granted Six months Such Service.

——

Resolution The Salaries of the officers mentioned above were less than Rs 600 per mensem when they were employed on famine Relief duty in the Mysore Province
